

SHAMROCK BREWING CO. BEER GUIDE

It's A Dog's Life.

AMERICAN BLONDE LAGER

A classic European-style lager, Munich Helles are a celebration beer in Bavaria. Mildly hopped and slightly malty, it has a fuller body than most American lagers, yet remains light and refreshing.

The Blonde has an original gravity of 1.048 and a 4.7% ABV, 22 IBU*.

MAN'S BEST FRIEND.

IRISH RED ALE

Our flagship, this Irish-style Red Ale is brewed with a combination of six different malts and three hop varieties, which results in a perfect balance of maltiness and hop bitterness. Full-flavored and medium bodied, our Irish Red provides surprising complexity for such an easy-drinking brew.

The Irish Red has an original gravity of 1.048 and a 4.7% ABV, 26 IBU*.

Every Dog Has His Day.

IRISH PORTER

Our Irish Porter is reminiscent of 1920's Dublin ales. The Porter is a workingman's pint, and was a favorite of dockworkers and warehousemen... hence the name "Porter". The color of our Porter is a brown so deep that it's almost black. When held up to light you'll notice ruby highlights. Our Irish Porter is brewed from pale ale, crystal and chocolate malts malted in England and is bittered with English hops.

The Irish Porter has an original gravity of 1.052 and a 4.6% ABV, 31 IBU*.

ENGLISH PALE ALE

Based upon the India Pale Ales exported from the UK to India, our interpretation of a classic English beer style is deep golden-colored, medium-bodied and highly hopped, the distinguishing characteristics are dryness and a decided hop taste. It's malty yet well balanced with an assertive hop character derived from liberal pitchings of English grown East Kent Golding hops.

The English Pale Ale has an original gravity of 1.053 and a 5.1% ABV, 68 IBU*.

I smell beer.

BELGIAN WHITE (SEASONAL, SPRING & SUMMER)

A Belgian-style white beer (Wit, pronounced Vit in Flemish or Bière Blanche in French) that is brewed with unmalted wheat and 2 row malted barley. This traditionally cloudy beer has a citrus-like flavor from its spicing with coriander and curacao orange peel. This beer is light and refreshing with a distinctive taste. Try it with a slice of orange.

The Belgian White has an original gravity of 1.046 and a 4.5% ABV, 20 IBU*.

GO FETCH YOURSELF.

DOUBLE PALE ALE (SEASONAL, FALL & WINTER)

Our Double IPA is a strong, full-bodied ale with an intense hop character and rich golden color. This unusual brew is characteristic of the newly recognized style of extremely hoppy and malty ales of North American origin. The Double IPA is one of our strongest beers with an alcohol content of over 9% abv and bitterness of more than 100 IBU's. Multiple kettle hop additions and generous dry hopping contribute to the powerful yet smooth and fragrant hop character of this beer.

The double Pale Ale has an original gravity of 1.085 and a 9.1% ABV, 100+ IBU.* Served in an 10 oz. glass.

*Original Gravity is the weight of the beer compared with an equal amount of pure water. Meaning, an Original Gravity of 1.050 means the beer weighs 1.05 times as much as an equal amount of water. International Bitterness Units (IBUs) are a system of measuring bitterness devised by brewing scientists and is accepted throughout the world. Used here for reference, the higher the number the more bitter the beer; a typical American lager has between 5 and 23 IBUs.
